SFPD FUNDRAISER

Johann is from Wellington and comes from a wine making family, and Brooke did an apprenticeship at an estate in Franschhoek, both part of South Africa's famous wine region. Today they work across the continent in travel and tourism, and each item is from one of their partners, lovingly inspired by the creative talents of different artisans. Sit back, relax and enjoy the flavor of Africa

TASTE OF AFRICA

- 1 bottle of Mulderbosch from Stellenbosch (South Africa's "Napa")
- 1 bottle of Kanonkop from Stellenbosch (one of South Africa's oldest estates)
- 2 Inverroche Gin (flavored by South Africa's unique fynbos vegetation)
- 2 Copper Republic Gin (rooibos is a traditional South African tea)
- 1 Zambian hand carved wooden crocodile bottle opener
- 1 Madagascar chocolate bar
- 1 Kenyan Christmas tree ornament
- 1 box of custom hand illustrated meerkat notecards (inspired by South Africa; illustrated and printed in Denver, where the safari wrapping paper on the box was also made; both by Brooke's sister)
- 2 leather passport holders (so you're ready for your next trip to Africa!)
